QUALITY SLEEP: the \$8,500 Hynos mattress at Vancouver's Pan Pacific Hotel.

Someday

Duvet. St. Geneve's duvet is hand sewn, filled with hand-collected eiderdown, covered with German-made 450-thread count silk and edged with satin cord piping. King duvet, \$7,300

Pillow. The Contessa pillow from Scandia Down is filled with a plush, 850 to 900 fill power of European white goose down (which means larger-than-average clusters of mature, fluffier down) in a 439-thread count, silk jacquard shell. 2 king pillows, about \$1,600

Mattress. Oprah, Pavarotti and the Queen all sleep on a Hynos mattress. The handcrafted Eminence is cushioned with lambswool, cotton, silk and cashmere blends and wrapped in gold and silver damask. Constructed with 2,520 honeycomb-nested pocket coils and 16 brass air vents. King size, \$8,500

Total: \$17,400

The Ultimate Bed

How to get a wonderful night of sleep — at any price.

Anyday

Duvet. A House & Home Style for Living duvet delivers warmth from 550 fill power of goose down, and loft from gussets on the sides. Keep it from bunching up inside a duvet cover by anchoring it with a set of LNT Home Hold On! Bedding Fasteners Comforter Clips (above). King duvet, \$500; 4 comforter clips, \$10

Pillow. Waking up with allergy symptoms? Could be dust mites in your pillow. The Natura World Smart Wool-filled pillow is made from virgin wool — the softest kind from the sheep's tummy area — which repels dust mites and mildew. 2 king pillows, from \$176

Mattress. An innerspring mattress with at least 920 pocket coils conforms to your body and minimizes motion transfer between you and a bedmate. Layer on some plushness with Westex's Sleeping Goose Pillow Top FeatherBed. It's topped with a layer of hypoallergenic duck down for extra softness. King mattress, from \$1,100; king featherbed, \$280 — C.K.
